**CHRISTINA CONDOS HONORED AS A
2008 WOMAN TO WATCH**

(CHATSWORTH, CA, May 12, 2008) — Christina Condos, 1105 Media's Vice President of Events, has been recognized as one of the 2008 Women to Watch *min's b2b*. In the publication's May 2 special report, eleven outstanding b2b women were honored across the media industry.

"We are very pleased to see that Christina was selected to receive this exceptional honor," said Neal Vitale, President & CEO of 1105 Media. "Christina is our integral member of our senior management team and has done an excellent job of building and expanding 1105 Media's extensive event portfolio. Her hands-on enthusiasm and innovate approach to invigorating the business have solidified our position as an events leader across multiple market segments, including government IT."

Christina has been in the b2b media business for more than two decades and has seen a lot of change with event trends across the industry. She accounts her success to coming "full circle" in different roles throughout her career. Most recently, Christina helped launch the new conference program at FOSE this past April, which proved to be hugely successful both from an attendee and revenue standpoint.
